Over 200	Contact us	

Includes:

- Unlimited user accounts and data storage
- Email support and training
- Daily backups

\* Premium edition contains all Standard features plus integration with your accounting software

### One-Time Charges (Plus GST)

**System Setup** **\$165** per strata

One-time fee for creation of building profile and list of units

**Accounting Integration Setup\*\*** **\$150** per strata/section

Integration with your accounting system (included in Premium edition) allows you to automatically generate financial statements, reports, and unit ledgers inside PowerStrata and share them with council and owners.

**Data Import\*\*** **\$200** per strata

If you don't have the manpower to enter all your data into the new system, we can help you import data lists from Excel files:

- List of owners/tenants and contact info
- Parking spaces and storage lockers
- Service providers

\*\* Optional Services
